

WASHGUARD® WELLINGTONS

ULTRA-COMFORT, WITH SAFETY PROTECTION

These lightweight yet sturdy safety wellies offer total protection for Hygiene Teams where comfort is parallel to safety and protection.

Made from a durable polyurethane with hard-wearing soles that provide excellent grip and resistance to slips. Noticeably lighter than regular PVC wellingtons, providing insulation against cold environments.

FEATURES:

- Cushioned heel for comfort and support
- Impact and compression resistant Steel toecaps
- Slip resistance
- Insulated for cold environments
- Anti-static
- Outsole resistant to fuel oil

TECHNICAL DETAILS:

- EN 20345:2011 S4 CI
- Slip rating: SRC
